

LOSAP Award Process

When a member has qualified for a LOSAP award, the following processes need to be completed.

The member must:

Be Age 55 and have earned a minimum of 25 years service credit, or

the member must meet the requirements for the benefit at age 70, or

the member must meet the requirements for Total Disability (Award Determination by Worker's Compensation Commission that the member is totally disabled)

Please refer to the LOSAP Manual or the enacting legislation for complete details.

Form 1025a The company completes form 1025a. The years of service will be the years of service of the most recent Company LOSAP report that has been approved by the Fire Commission.

Form 1023 The member and company complete form 1023. This form is used to confirm that the member agrees with the Date of Birth, Date of Entry, Social Security Number and provides a mailing address and contact information.

Form 4579 The member completes form 4579 LOSAP Beneficiary Form. This form is optional but recommended. If the form is not submitted, the most recent form received by the Fire Commission will be used.

Direct Deposit Required: Beginning May 20, 2015, the procedure for Direct Deposit has changed. Now the member must submit the direct deposit form (Standard Form 1199A (EG) (Rev June 1987) or, a copy of a check marked void. The award will not be processed by Pensions until one of the two forms are received.

Notice: Effective 9/26/15, the Direct Deposit Form used by County Vendors can be used to process LOSAP awards. The sample form is attached.

There is no alternate process if the member wants Direct Deposit to a savings account, or other financial institution or investment account such as Money Market, T.Rowe Price, Charles Schwab etc. You will need to use the standard form 1199A described above.

What about members that have met the age requirement, and will earn their 25th year of service credit in the current LOSAP period?

Often, a member Age 55 or over will earn their 25th year of service credit in the current LOSAP period.

Example, a member Age 55 has 24 years service credit as of the prior LOSAP Year. The member will qualify in the current LOSAP period, but the annual report for current period has not been submitted.

In this case, submit the completed 1024 (Member Points Form) along with the award application to confirm that the member will qualify in the current period.

A similar case can arise for awards effective July 1, August 1, or September 1, where the service credit for the award should include the current or the immediately preceding LOSAP Year. A fully completed 1024 confirming that the member qualifies should be submitted with the award.

Forms listed above are attached. Please refer to the LOSAP Manual for complete information. All forms are in the LOSAP Manual except for the Direct Deposit form which will be added at the next revision

- (A) Be sure that payee's name is written exactly as it appears on the check. Be sure current address is shown.

SPECIAL NOTICE TO JOINT ACCOUNT HOLDERS

Joint account holders should immediately advise both the Government agency and the financial institution of the death of a beneficiary. Funds deposited after the date of death or ineligibility, except for salary payments, are to be returned to the Government agency. The Government agency will then make a determination regarding survivor rights, calculate survivor benefit payments, if any, and begin payments.

CANCELLATION

The agreement presented by this authorization remains in effect until cancelled by the recipient by notice to the Federal agency or by the death or legal incapacity of the recipient. Upon cancellation by the recipient, the recipient should notify the receiving financial institution that he/she is doing so.

The agreement presented by this authorization may be cancelled by the financial institution by providing notice 30 days in advance of the cancellation date. The recipient must notify the Federal agency if the authorization is cancelled by the financial institution. The financial institution cannot cancel the authorization by advice to the Government agency.

CHANGING RECEIVING FINANCIAL INSTITUTIONS

The payee's Direct Deposit will continue to be received by the selected financial institution until the Government agency is notified by the payee that the payee wishes to change the financial institution receiving the Direct Deposit. To effect this change, the payee will complete a new SF 1109A at the newly selected financial institution. It is recommended that the payee maintain accounts at both financial institutions until the transition is complete, after the new financial institution receives the payee's Direct Deposit payment.

FALSE STATEMENTS OR FRAUDULENT CLAIMS

Federal law provides a fine of not more than \$10,000 or imprisonment for not more than five (5) years or both for presenting a false statement or making a fraudulent claim.
